Looking for practical gifts?

Our colourful chopping board and knife sets are sure to brighten up any kitchen.

They are fun, fashionable and sell at affordable everyday prices, making them a very popular choice with young and old, male and female alike.

Taylor's Eye Witness was founded by John Taylor in the early part of the 19th Century. They have stood the test of time through an unrelenting dedication to quality, service and good old fashioned technical know-how in the design and production of kitchen knives and scissors. What they don't know about knives isn't worth knowing!
